DR. CHAUSSEE'S NEWS

STAFF CHANGES

As many of you are aware, we have many staff changes taking place at Abbott for next year. We are saying good bye to people that have been a part of our school for many years.

Annette Mahoney is retiring and Courtney Stevens is leaving both from fifth grade. Courtney student taught here and has spent her entire teaching career of ten years here. Courtney will be working on an art degree and then moving to Utah. Annette has been at Abbott for 27 years. Jaci Gruber is moving to Minnesota after 11 years here. Derrik Spooner after four years at Abbott is becoming the athletic director at Mount Michael. Sue Day is retiring from being a para professional here for five years.

As sad as it is to see our current staff members leave, it is exciting to see new ones continue their career here. Nick Langer and Charlene Hale will be teaching fifth grade. Megin Falk will be our new instructional facilitator. Keegan Williams will be our new PE teacher. Megin is transferring from Morton. Nick is coming from Fremont and Keenan from the Omaha Public Schools. Charlene has been a substitute teacher for the last several years after teaching for many years.

I want to recognize these others for their long service in Millard:

Jill Classen—10 years
Courtney Stevens— 10 years
Mary Jo Nickless—10 years
Erik Chaussee—15 years
Cindy Wrenn—20 years

From the Health Room

We accumulate a lot of meds in the health room during the course of the year. If you have brought any "as needed meds", please make sure you pick them up. Remember... We can NOT send them with your student. Any unclaimed meds will be discarded after May 25.

If your student has a daily med, inhaler or epi-pen, we appreciate you picking them up closer to the last day of school if possible, just in case.

Thanks and have a healthy summer!

Pat Rumfield, Health Para

From the Lunchroom

Only eight hot lunch days left in the school year. Please help us by planning accordingly.

Lunches - \$2.45

Milks - .45

We appreciate you taking care of all negative balances prior to the end of the year.

Any balances will carry forward as long as your student remains at a Millard School.
